

Research Article:

**MODUL MIXT DE PROPAGARE A
FISURILOR ÎN LEMN**

**MIXED-MODE CRACK GROWTH IN
WOOD**

Octavian POP

Assist.Prof.Dr.Eng. – GEMH Laboratory, Civil Engineering and Durability, University of Limoges
Centre Universitaire de Génie Civil,
Adresa/Address: Boulevard Jacques Derche 19300 Egletons, France
E-mail: ion-octavian.pop@unilim.fr

Rostand MOUTOU PITTI

Researcher, dr.eng. – Clermont Université, Université Blaise Pascal, Institut Pascal
Adresa/Address: BP 10448, F-63000 CLERMONT-FERRAND, France
E-mail: rostand.moutou_pitti@univ-bpclermont.fr

Frédéric DUBOIS

Prof.Dr.Eng. – GEMH Laboratory, Civil Engineering and Durability, University of Limoges
Centre Universitaire de Génie Civil,
Adresa/Address: Boulevard Jacques Derche 19300 Egletons, France
E-mail: frederic.dubois@unilim.fr
