- 3) Digital technology – simulation and AR/VR
- 4) Digital technology – data & security
- 5) Innovation and digital transformation
- 6) Leadership in digital transformation
- 7) Communication in digital transformation
- 8) The people within the digital transformation
- 9) Quality, risk and safety in digital transformation
- 10) Social and environmental impact of digitization
- 11) Final project (optional)

### WHAT WE OFFER YOU

1. AN INTERACTIVE AND INNOVATIVE COURSE WITH 100 MICRO TRAINING PILLS grouped into 10 units (4 technical and 6 transversal) to become a “Digital Transformation Manager of the Furniture Sector”.
2. The “DITRAMA Manager” Certificate at the end of the Course. The course offers two training paths: for Higher Education students (EQF 5) and for Vocational Education & Training students (EQF 4).

### WHAT WE ASK YOU

1. TEST THE WHOLE DITRAMA COURSE for free, without any restriction (feel free to re-watch each pill any time you want, or to jump from one pill to another).
2. COMPLETE three quick evaluation surveys that will help us to improve the course (at the beginning, in the middle, at the end of the course).
